

SRS MA-MDO 30

Marine diesel engine lubricant

March 2023

Characteristics

SRS MA-MDO 30 is a marine diesel engine oil for medium-speed trunk piston engines. High quality base oils and optimally adapted additives ensure high wear and oxidation protection and a high thermal stability. Detergents provide an excellent engine cleanliness. Laking of cylinder liners is avoided.

Application

SRS MA-MDO 30 can be used in 4-stroke medium-speed trunk piston engines, where high engine cleanliness is required.
