

SRS Multi Rekord top

High Performance Universal Engine Oil

June 2023

Characteristics

SRS Multi Rekord top is a mineral oil based, high performance universal engine oil of SAE 15W-40 viscosity grade. Base oils produced with the most modern refinery techniques, together with innovative, adapted additives, ensure that the today's requirements are met. Its outstanding qualities include its excellent lubrication security at high temperatures and the exceptional wear protection under all operating conditions.

Application

SRS Multi Rekord top is a top-quality oil for universal, year-round application in mixed fleets. The requirements of Euro-5, Euro-4, Euro-3 and Euro-2 engines are met with reserve. A uniform engine oil for all vehicles rules out mix-ups and guarantees economical stock-keeping. The respective manufacturer's instructions must be observed. SRS Multi Rekord top is a high-performance universal engine oil for extended oil-change intervals. The range of application covers the requirements of commercial vehicles and diesel engines of many well known manufacturers. SRS Multi Rekord top is suitable for use with biodiesel in accordance with the oil change intervals recommended by the OEM.
